

The City of Prescott Transaction Privilege Tax Form

The City of Prescott is enforcing the requirement for all vendors in arts and crafts events to follow the Transaction Privilege Tax law (otherwise known as sales tax) for doing business in Prescott. "The non-profit group is responsible for collecting a non-refundable \$25.00 fee per space from each participating vendor that is not exempt. All fees must be collected on or before the first day of the show."

Each vendor is required to submit the \$25.00 fee payable to PAAHC along with the application fee for the event. Payment of this fee precludes the payment of the 2% City privilege tax.

Participating vendors are those temporarily engaging in the business of displaying or selling hand-crafted objects who occupy a space in conjunction with any temporary site such as the PAAHC-sponsored non-profit show – The "Best of Arizona" *Thumb Butte Festival*. Owners of venues that routinely collect and pay the tax are not required to pay the fee, but participants at the venues are.

Each venue must display or carry a copy of paid participants at each venue that is within the City limits.

There are a number of Exemptions.

Please check the appropriate option below and return with your application and payment (if required) or mail to:
